Darkhasts for unassessed lands.

CIRCULAR.

ORDER No. R. 7310-7364—L. R. 411-24-1, DATED, Camp Mysore, 8TH JUNE 1925.

Instances have come to the notice of Government in which darkhasts for unassessed lands are rejected merely on the ground that a large extent of assessed land is available in the village. Government observe that, both in the interest of food production and Government Revenue, liberal treatment of darkhasts for unassessed lands, especially in the malnad Districts, is necessary. They therefore direct that darkhasts for such lands, when there is a keen demand therefor, should not be rejected merely on the ground that assessed lands are available, but should be duly considered and disposed of on their merits

K. V. ANANTARAMAN,
Secretary to Government,
Revenue Department.

FINANCIAL SECRETARIAT.

Levy of Commission.

READ—

Letter No. 534—L. A. D., dated 5th January 1925, from the Comptroller, stating that Government have approved the decision of the Committee appointed for the revision of the Municipal Account Manual to abolish the levy of commission for drawing and remitting interest on securities belonging to Municipalities held in trust by the Comptroller on the ground that they are not private bodies and pointing out that the commission of ¼ per cent levied is the same as that charged by the Banks and is intended to meet the cost of establishment maintained for the purpose and that the Municipalities though not private bodies are financially independent of Government and the Government should therefore be reimbursed for any work done on their behalf in respect of securities belonging to them and held in trust in their behalf.

ORDER NO. FL. 6536-55—G. F. 96-24-2, DATED 2ND JUNE 1925.

Government agree with the Comptroller that the levy of the commission cannot be waived as Municipalities get the interest collection work done and the Comptroller has the custody of the securities entrusted to him.

M. N. KRISHNA RAO,
Financial Secretary to Government.
